

# Coolant Flush

Long life coolant is specially developed for heavy duty Diesel engines, plus it can be used in all gas engines with aluminum blocks. An excellent value. Coolant conditioner is part of the formulation

**ALL FOR \$399.00**

Includes:

- Radiator flush
- Pressure Test
- Check for coolant leaks
- New thermostats
- New Thermostat gasket
- New Antifreeze
- Radiator Inspection

**JOHN DEERE RECOMMENDS THAT THE COOLANT  
BE CHECKED EVERY 750 HOURS AND FLUSHED  
EVERY OTHER YEAR.**

**GREENLINE EQUIPMENT**
